*Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding. (Kian Harber)*

#### ALL HOPE IS GONE

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - All Hope Is Gone is the fourth studio album by American heavy metal band Slipknot. Released on August 20, 2008 by Roadrunner Records, the album was published in two versions: the standard album in a Compact Disc case and a special edition packaged in a six-fold digipak containing three bonus tracks, a 40 page booklet, and a bonus DVD with a documentary of the album's recording. Preparation for the album began in 2007, while recording started in February 2008 in the band's home state of Iowa. All Hope Is Gone is Slipknot's first studio album since 2004's Vol. 3: (The Subliminal Verses). Before the album's launch, Slipknot released a series of promotional images and audio samples from the album through various websites. All Hope Is Gone is considered the band's most eclectic-sounding album, incorporating elements from their previous three. All Hope Is Gone includes their 'brutal' edge, reminiscent of songs such as '(sic)' from their debut self-titled album, slow burning, 'trippy' elements such as that of 'Skin Ticket' from their second album Iowa, and acoustics and guitar solos, which were first introduced on Vol. 3: (The Subliminal Verses). 152 pp. Englisch.
