There s a magical tree at the park Erin goes to with her Nana, and in that tree there is a tiny red door. It s so small that she could never fit through. It s a good thing, though, that Charlie the squirrel can shrink her with his magical wand, for through that door an adventure to the circus awaits. *Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
