Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Junius, Vol. 1: Stat Nominis Umbra The very liberal Encouragement given by the public to the elegant Edition of Junius s Letters printed by Mr. Bensley in 1794, a large Impression of which was soon found inadequate to the demand, led the Proprietors of that Work to consider by what means they might render it still more interesting, and more deserving the Approbation of Persons of Taste in Literature. While this Matter was under Consideration, an idea was started, that, with assiduity and application, they might be able to procure from the Collections of Private Gentlemen genuine Portraits of the Public Characters most particularly addressed, or alluded to, by the able Writer of these Letters.
