Reviews

Basically no terms to clarify. It can be written in basic terms instead of difficult to understand. I am easily could get a enjoyment of reading through a composed publication.

WHEN GOLF WAS FUN (PAPERBACK)

Austin Brothers Publishers, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Golf was Fun is a collection of tales from what is known as the beer and barbecue circuit of golf tournaments. These tournaments held in small town all across the state of Texas were not only the beginning of the careers of many great golfers but also produced some local legends. It was a time when golf was still a game, not a big business. This collection of 38 stories will entertain and amaze as you read first-hand accounts of some of the greatest exploits in the history of golf. You will read about local golf pros who are unknown outside of their local country club and you will also read about legends like Ben Crenshaw, Bruce Lietzke, Charles Coody, Miller Barber, Ben Hogan and others. Texas has a very rich golf history and much of it is captured in When Golf was Fun. The late, great beer and barbecue circuit was a bygone era of Texas golf in which many Lone Star legends were born and raised but has since given way to the more civilized and organized golf industry we know today. Much like baseball's barnstorming days, the barbecue circuit was a series of unaffiliated events that brought an extremely high level of golf and excitement to tiny towns like Center and Athens; Quanah and Pampa-places you might otherwise never have known even existed.
