Simple Tax Reform - The New201* Tax System: Radical Change to the Us Tax Code Made Easy (Paperback)

By Publius II

AUTHORHOUSE, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This publication describes the framework for a new US tax system, a tax system that affects the individual taxpayer and the business taxpayer. I call it the new Individual/business tax system. I call it that because it s new, it s about the individual s and business s obligation to pay a tax, and it s from beginning to end a complete system. However, to settle on a name, I ve settled on the NEW201* TAX System. I ll explain the * later. I believe that reform of the old tax system, (the often referred to U.S. Tax Code), is not enough even if among its reformed features, it changes or eliminates the aggressive nature of the IRS. So I have crafted the NEW201* TAX System to radically change the IRS mission and strip away most of its para-police posture and policies. If adopted, no longer will we the people fear the IRS. This book is organized as follows: the foreword is followed by a presentation much like you would find in a conventional classroom or business meeting setting. If you ve had...
