Filesize: 5.28 MB

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Enrique Labadie)

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, The Serial Garden: The Complete Armitage Family Stories, Joan Aiken, Peter Bailey, 'I wish we'll have two children called Mark and Harriet. And I hope lots of interesting and unusual things will happen to them. It would be nice if they had a fairy godmother, for instance. And a phoenix or something out of the ordinary for a pet. We could have a special day for interesting and unusual things to happen - say, Mondays. But not always Mondays, and not only Mondays, or that would get a bit dull! As a result of their mother's honeymoon wish, Mark and Harriet Armitage have a fairy godmother, a pet unicorn, and are prepared for anything life can throw at them (especially, but not always, on a Monday): hatching griffins in the airing cupboard, Latin lessons with a ghost, furious Furies on the doorstep, and an enchanted garden locked inside a cereal packet. Life with the Armitages can be magical, funny, terrifying - but never, ever dull.
