Argot Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Tony Gulvin suggests that the long-term relationship faces possible extinction; powerless, in a much changed world, to resist the lure of serial monogamy, and its adherent s inherently charlatan claims to virtue. In this highly original and fascinating critique, Gulvin s seemingly unbreakable logic disturbs much of the complacency surrounding the modern relationship and argues a compelling case for a genuine re-articulation of the marital agreement. Engrossing, witty, challenging, and at times, uncomfortable: a must read for anyone seriously interested in having a happy, long-lasting and loving relationship.
