The Invaders (Classic Reprint) (Paperback)

By Frances Newton Symmes Allen

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Invaders The mists that hid Sugarloaf and made a mountain of Toby brought the children s voices quite clearly to the two men waiting under the rock maple by the cemetery gate. The one, gray-faced and gray-haired, in army cape and veteran s hat, sat on a ?at, lichened tombstone, his very blue eyes traveling from one soldier s grave to the other. His companion, young and ruddy and well-knit, in white sweater and golf trousers, leaned on the stone wall, his bare head crinkled with abundant tawny hair. He was looking away, frowning at the vast levels of the Onion fields faintly green with the new crop, and deserted except for the bent figures of the weeders in the rows. But, Grandfather, he had just said, rolling a cigarette between his shapely hands, living is a long sight cheaper in Paris than it is here.
