# The genuine books MATLABSimulink hydraulic control simulation (2) Song Zhian(Chinese Edition)

By SONG ZHI AN

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment.Paperback. Pub Date :2012-08-01 Pages: 418 Publisher: National Defence Industry Press title: MATLABSimulink with hydraulic control simulation (2nd Edition) List Price: 46.80 yuan: Song Zhian Press: National Defense Industry Press Publication Date :2012-08-01ISBN: 9787118081794 Words: Pages: 418 Edition: 2 Binding: Folio: 16 Weight: Editor's Summary MATLABSimulink with hydraulic control simulation (2) a comprehensive and systematic introduction to the hydraulic control engineering The combined application of the results with MATLAB / Simulink simulation. The book is divided into 12 chapters. the first 10 chapters of MATLAB-based hydraulic servo control theory. automatic control theory is introduced through examples implemented in MATLAB. and introduces the servo valve. power mechanism. machine hydraulic servo system and electro-hydraulic servo basic content and system theory. analysis. research. hydraulic component selection the foundation; combined with examples to explain properly full. reliable and effective application of the hydraulic control technology; mathematical model describes the quality requirements of the oil source and constant-voltage energy and pollution control and modern control theory relevant aspects of the content. Chapter 11 nonlinear hydraulic control system. Chapter 12 introduces the modeling features of the...

Reviews

Unquestionably, this is the finest function by any article writer. I have read and that i am confident that i am going to likely to read yet again once again later on. Your daily life period will probably be transform when you comprehensive reading this article book.
-- Sheldon Aufderhar

This is the finest ebook i have got read through till now. It really is full of wisdom and knowledge You wont sense monotony at anytime of the time (that's what catalogs are for relating to in the event you ask me).
-- Mr. Edison Roberts IV
