As a job hunter, you're focused on one thing: getting a good job fast. ESCAPE From Human Resources! is filled with ways to get you in front of hiring managers. The techniques in this book are professional, but not common knowledge. Inside, you'll get: Techniques to get employers interested in you before they see your resume Telephone tips that can help you leap frog over other job hunters Strategies to get the names of hiring managers at places you want to work Online search advice that can give you an intelligence edge Advice on how to deal with Human Resources, one of the biggest obstacles in getting hired A completely updated Kindle and paperback edition for 2014 with twice as many pages as the original You can keep looking for work the way you are now. OR, you can try another approach. Click Buy above. Why Doesn't Normal Job Hunting Work? When you work hard at something, you get better at it. Not so with job hunting. Job hunting requires you to use a few of your skills, but you must apply your skills in a unique way to get results. Without this method, you won't see better results no matter how hard you work at your job hunt.
