By Thomas Carlyle

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Inaugural Address at Edinburgh, 2d April 1866: On Being Installed as Rector of the University There It remains, however, practically a most important truth, what I alluded to above, that the main use of Universities in the present age is that, after you have done with all your classes, the next thing is a collection of books, a great library of good books, which you proceed to study and to read. What the Universities can mainly do for you, -what I have found the University did for me, is, That it taught me to read, in various languages, in various sciences; so that I could go into the books which treated of these things, and gradually penetrate into any department I wanted to make myself master of, as I found it suit me. Well, Gentlemen, whatever you may think of these historical points, the clearest and most imperative duty lies on every one of you to be assiduous in your reading. Learn to be good readers, - which is perhaps a more difficult thing than you imagine. Learn to be...
