iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The need for basic knowledge of Koine Greek, the common language of the New Testament, is becoming increasingly important for every student of Scripture. Because of the linguistic challenges from translating from New Testament Greek to English, students of the Bible must be able to understand the tenses, moods, and cultural elements of the spoken language of the time in order to appreciate the true meaning of the text. In his book, Pastor Wilton hopes to give his readers an edge for interpreting Scripture and understanding the deep meanings of biblical words. This beginner's textbook, once completed, will give the student a foundation for translating the entire New Testament from its original language to English.
