

Video Atlas of Cleft Lip and Palate Surgery (Hardback)

By -

Plural Publishing Inc, United States, 2013. Hardback. Condition: New. New.. Language: English . Brand New Book. Video Atlas of Cleft Lip and Palate Surgery (book and DVD) aims to demonstrate techniques to medical professionals worldwide who are involved in the care of cleft lip, cleft palate, and related abnormalities, such as velopharyngeal insufficiency. This concise resource reviews the most salient procedures and techniques covering cleft lip and palate cases, including the medical considerations surrounding these cases, namely maxillofacial, anesthetic, and speech considerations. Each chapter includes a pearls and pitfalls section reflecting the broad experience of the authors. The accompanying DVD includes 30 high-quality videos that illustrate the fundamental step-by-step approach to carrying out each procedure. Check out two of the videos: Repair of Unilateral Complete Cleft Lip Deformity [click here](#) Type IV Revision Unilateral Cleft Lip Repair [click here](#) For students, young physicians, and experts alike, this book serves as an invaluable resource to the field, enhancing the dissemination of training at a global level and hopefully serving as a catalyst for the development of comprehensive cleft programs worldwide.
