Casemate Publishers and Book Distributors, 2017. Hardback. Condition: New. Language: English . Brand New Book. It has come to our attention that most museums will not let you draw on the walls. And most museums will not let you make your own statues. And most museums are not actually all about you. Is this true?! Then the Me Museum is pretty much exactly unlike any other museum youve ever seen here you can do all of that, and then paint portraits of your favorite people, decide whats for lunch, create your own secret hideout, and then invite your family and friends to tour the whole building for themselves.
