Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I m sorry to disappoint my readers, but there are no main plots, leading characters, or scintillating story-lines in this book. However, what the author promises is something more; knowledge and understanding. Yes, spiritual food for the hungry soul. A collection of attention-grabbing insights, which are aimed at inspiring the reader to deeper thinking. If you re a student of the Holy Scriptures and seeking to increase your knowledge of the godly life, this book is an excellent resource for you. In it, you will find an assortment of captivating thoughts condensed into short sentences, which makes them easy to memorize and ready to be accessed, while preachers and teachers will discover a valuable source, which can be used to reinforce sermons and bible lessons. All in all, every single person who reads this book will find it worth the investment.
