Reviews

This written book is excellent. It really is rally fascinating throgh studying period. You are going to like the way the writer write this publication.

(Hadley Ullrich)

PSYCHOLOGICAL ASSESSMENT OF VETERANS (HARDBACK)

Oxford University Press Inc, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Psychological assessment is practiced in wide-ranging settings to address the varied clinical and administrative needs of veteran populations. Such assessment blends record review, clinical interviews of the veteran and collateral sources of information, behavioral observations, and psychological testing. This book promotes the care and well-being of veterans by bringing together knowledgeable and experienced psychologists to discuss a range of psychological assessment methods and procedures. It aims to help patients and their families, healthcare providers, and concerned citizens gain an improved understanding of veterans cognitive functioning, emotional states, personality traits, behavioral patterns, and daily functioning. The book begins with a history of the psychological assessment of veterans and investigates its efficacy in different settings, including outpatient mental health, long-term care, primary care, home-based primary care, and telemental health. Later chapters address assessment of a variety of disorders or presenting problems, including substance use disorders, psychotic disorders, mood disorders and suicidal thoughts and behavior, PTSD and other anxiety disorders, attention-deficit/hyperactivity disorder, dementia, pain and pain-related disorders, and polytrauma. The book concludes with important special considerations, including assessment of symptom and performance validity, assessment of homeless veterans and health-related quality of life, and ethical, legal, and professional issues. Psychological Assessment of Veterans provides an essential reference and guide for clinical psychologists, including those working in the subspecialties, and psychology trainees who work with veterans.
