Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Elementary Russian Grammar The present little work, exhibiting in as clear and concise a form as possible the main features of Russian accidence and syntax, may be looked upon as an introductory abridgement to the author's larger Conversation-grammar of which a second improved and enlarged edition has likewise recently been published. This Elementary Grammar is intended to facilitate the study, of the language for beginners, and will in many cases suffice, especially for those who wish to learn the Russian language for practical purposes only, without any pretension to literary or scientific study. In spite of its modest aspirations, it is however to be hoped that this short guide will not be found entirely undeserving of even the philologist's attention. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
