Reviews

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
(Prof. Mark Ratke Jr.)

LOOKING FURTHER BACKWARD

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.China invades the United States to restore US capitalism in the year 2020 in this dystopian 1890 sequel to Edward Bellamy s 1888 novel Looking Backward. Vinton s novel is written as a series of lectures delivered at Shawmut College (Boston, Mass., USA) in the year 2023 by a Chinese historian who took charge as chief of the history department after the occupation of the socialized United States by capitalist China. Bellamy s novel described a utopian re-organization of the United States where by the year 2000 every aspect of the economy was owned and controlled by the government, which was termed Nationalism to avoid the stigma of the term socialism. Bellamy s best-selling novel spawned 160 Nationalist Clubs in the United States, and a Nationalist political movement in the late 19th century. It also inspired many novels critical of Bellamy s premises, such as this one. Here Vinton fabricates a history of the two decades after Bellamy s story ended in year 2000, during which the entire world, except China, abandoned its capitalist system and adopted Nationalism. Fearing civil unrest fomented by foreign Nationalists proselytizing within China, the Chinese government takes over France in 2012 and launches a military invasion of the United States in 2020 to preempt Nationalization of China and to restore capitalism in the US. Vinton shows the folly of the abolition of a peacetime standing military for defense, the replacement of currency by government-issued credit cards, dis-incentives for personal initiative and thrift, deletion of Presidential war powers, and more, all of which were consequences of the Nationalized system proposed by Bellamy. The story is told in quotations from a diary kept by Julian...
