Grave Distractions Publications, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pulp Winds Pulse Pounding Adventures in Fiction and Verse by Wm. Michael Mott Introductions by Brad Steiger, Gerald W. Page and Walter Bosley - PULP WINDS, the long-awaited collection of short fiction, verse, and Fortean by Wm. Michael Mott, has been unleashed for mass consumption! With introductions by Walter Bosley, Brad Steiger, and Gerald W. Page, these tales will take you from the antediluvian world to lost cities beneath the earth, onward to other planets around distant stars, and even to the Dark Ages, the Old West and the High Seas. New twists on mythos and madness are inter-meshed and presented in these yarns of terror and adventure! Profusely illustrated, and reminiscent of pulp fiction and verse of a bygone era, PULP WINDS is a literary adventure of a type scarcely seen today! These literary gems are not in the modern vein of politically correct, emasculated tales of slow pace and boring introspection so common today, but are fast-paced, pulse-pounding accounts of action, horror, love, hate and gore! Presented in a large-format for easier reading and for viewing of the artwork, the design is reminiscent of the pulp magazines of an earlier, bygone era. Those of you familiar with Mott's non-fiction Fortean research will find familiar themes from the realms of the unknown interwoven into, through, and beneath these stories, like the currents of a deep black subterranean river of mystery, glimpsed and occasionally revealed in all its weirdness and terror, before plunging beneath the surface again. Also included is an article on Fortean matters along the lines of the research presented in Caverns, Cauldrons, and Concealed Creatures, Mott's definitive non-fiction opus on high strangeness, hidden beings, and real-life...
