## BEGINNING BIRDWATCHER'S BOOK: WITH 48 STICKERS (PAPERBACK)

Dover Publications Inc., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Birdwatchers, or birders, keep life lists in which they note their first sighting of a species -- indicating the date, place, habitat, etc. This easy-to-read, fact-filled workbook will help young birdwatchers begin keeping their own life lists as they learn about 48 common North American birds -- among them the blue jay, American crow, ruby-throated hummingbird, yellow-billed cuckoo, mourning dove, barn owl, red-tailed hawk, northern oriole, red-winged blackbird, and red-headed woodpecker. Written and illustrated by nature artist Sy Barlowe, the book includes space on each page for a numbered sticker illustration of the bird described, along with information on bird size, habitat, nesting and eating habits, number and color of eggs, and range. There's also a place for recording the date, time, and locality of the sighting and for adding personal remarks. A great way to combine sticker fun with an educational experience, this hands-on record-keeping book will motivate young naturalists and perhaps stimulate a lifelong interest in the rewarding hobby of birdwatching.
