Brand New Book ***** Print on Demand *****.Excerpt from Problems of Eternal Moment Solomon, the wise man, said, To everything there is a season, and a time to every purpose under the heaven: a time to be born, and a time to die. Those vital decisions and acts of man which go to make up the balance-sheet of life, and which decide the future destiny of all mankind, we consider problems of eternal moment. Millions of precious souls are today sailing on uncertain seas; but there are messages enough for their guidance, if we can catch these messages and send them on. God's part is complete; the message to a lost world is on hand; our responsibility, then, is to transcribe and transmit it correctly; for we, every saved soul, are, in Christ's stead, to teach men how to become reconciled to God. To the end that the world might be reconciled to him, God uses every constructive agency. In time past he has taken humble fishermen, weak men, impulsive men, natural liars, rich men, educated and uneducated men, and transformed them by his grace and mighty power into instruments of usefulness, and their sermons and writings have sent a holy thrill vibrating down through the ages. The world of humanity has been hypnotized by sin, and must be aroused quickly, or they may sleep the sleep of death. What is needed today is a message that is positive, aggressive, and progressive - a wholesome, saving, life-giving message which will appeal to the moral, intellectual, and emotional part of every man.
