Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Gethsemane, David Hare, Nothing is more important to a modern political party than fund-raising. But the values of the donors can't always coincide with the professed beliefs of the party. And family scandal within the cabinet has the potential to throw both the money-raisers and the money-spenders into chaos. This richly imagined ensemble play about British public life looks at the way business, media and politics are now intertwined to nobody's advantage, as, in an unforgiving world, one character after another passes through "Gethsemane". "Gethsemane", David Hare's fourteenth original play for the National Theatre, London, premiered in November 2008.
