This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Alexander Calder (1898-1976) is a key presence in the history of modern art, and yet he is rarely seen or remembered in the context from which he initially emerged as an artist. When Calder became Calder - well known for his signature mobiles and stables - it was due to a unique variety of presiding influences. His artistic parentage consisted of Marcel Duchamp, who provided the name of and concept for the mobile; Piet Mondrian, who introduced pure abstraction to him; and Joan Miro, who communicated the central theses of Surrealism. Although Calder went on to play a major role in Surrealist manifestations during the formative years of the movement, including being shown in the defining 1936 Exposition surrealiste d objets in Paris, he has since been separated from those beginnings. Indeed, at this point in time, Calder is never included in exhibitions of Surrealist art, even though he was incubated by that phenomenon and contributed mightily to it. This book will put the artist...
