

# The Mailroom: Hollywood History from the Bottom Up (Paperback)

By David Rensin

Ballantine Books, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. It s like a plot from a Hollywood potboiler: start out in the mailroom, end up a mogul. But for many, it happens to be true. Some of the biggest names in entertainment--including David Geffen, Barry Diller, and Michael Ovitz-- started their dazzling careers in the lowly mailroom. Based on more than two hundred interviews, David Rensin unfolds the never-before-told history of an American institution--in the voices of the people who lived it. Through nearly seven decades of glamour and humiliation, lousy pay and incredible perks, killer egos and a kill-or-bekilled ethos, you II go where the trainees go, learn what they must do to get ahead, and hear the best insider stories from the Hollywood everyone knows about but no one really knows. A vibrant tapestry of dreams, desire, and exploitation, The Mailroom is not only an engrossing read but a crash course, taught by the experts, on how to succeed in Hollywood.

#### Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out. -- Otilia Schinner

These kinds of pdf is every thing and helped me hunting ahead plus more. It generally does not cost too much. I am delighted to tell you that this is actually the finest publication we have study in my personal life and might be he finest ebook for at any time. -- Dr. Veronica Hoppe
