A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Volume 6 of Beyond Salsa Bass begins our 4-volume study of the style of Alain Perez - the composer of La sandunguita, Salsa timba y amor, and Amigo Juan. Perez is one of the most talented bassists, composers and arrangers of modern Cuban music. He shared a very unique musical chemistry with Issac Delgado and pianist Melon Lewis, the subject of Volumes 6-9 of Beyond Salsa Piano. The bass series follows the piano series exactly, covering the same songs, now from the perspective of the bassist. In addition to transcribing the notes, we also transcribe the percussive sounds that he uses to create his funky style. Each musical example is provided in 16th note notation, 8th note notation and bass tablature. There are corresponding audio and video products for each volume.
