

Poems of a Costa Rican Castaway (Paperback)

By Elias Sassoon

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This poetry collection originates from a tour taken to the Central American country of Costa Rica. Instead of doing the usual tourist thing and snapping pictures, I carried a spiral notebook and ball point pen and jotted down impressions in poetic form as I went. The poems that resulted encompass people, places and things, though not intended as a detailed travelogue. What you will get is another perspective on the philosophy and business of travel, the types of tourists that participate in it, and the people that lead it.
