===================================== BENEFITING FROM ACTIVE RELEASE TECHNIQUES ===================================== Release Your Pain presents ART (Active Release Techniques) as an innovative and effective approach to addressing such common repetitive strain injuries as carpal tunnel syndrome, plantar fasciitis, knee and shoulder injuries, and back pain. Based on case studies, the book shows how ART locates and breaks down scar tissue and adhesions that cause pain, stiffness, weakness, numbness, and physical dysfunctions associated with repetitive strain injuries. Topics include how and why these injuries occur, and how non-invasive methods succeed where others fail. Each chapter includes black and white photo...
