An award winning arson investigator brings you over thirty cases from his own files and those of his colleagues. These true case histories cover the entire spectrum of arson crimes from the hapless goof to the most evil and obsessive fiends of them all. He has arrested and sat face to face in cramped interview rooms with over 300 arsonists and bombers. Some of these people are also rapists, murderers, gang members, devil worshipers, child molesters, and child murderers. Nordskogs first book, Torched Minds-Case histories of notorious serial arsonists, has been widely accepted and lauded in the arson investigation field. This exhaustive study focused on over 60 case histories of the more famous serial arson investigations. Nordskogs current book goes...
