GREAT COMMISSION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Great Commission Individual responsibility cannot be shifted upon the shoulders Of some unreliable leader, for the command GO ye, was given to individual disciples, and every man must answer for himself It is human to Shirk responsibility, and to drift into a lethargy concerning the unevangelized millions; arguing with ones self that others are better fitted, others are especially called etc., etc. But His GO ye was not addressed to others Ye are the one He is speaking to to-day. We must be sure that our skirts are clear Of their blood, beloved; and certain it is that there will have to be a great awakening in the church and a tremendous realization of the responsibilities, before the black wings Of ih diference will be raised from Off a great multitude who call themselves followers of Jesus. Each generation of disciples has a debt to pay to its generation Of unsaved people of whatever nation or color, and while failure to accomplish its mission has marked each successive generation since the days of the early church, our individual responsibility has not lessened in the slightest degree, for the Great Commission has not been withdrawn or cancelled.
