The Theoretical Individual : Imagination, Ethics and the Future of Humanity

By Michael Charles Tobias

Springer-Verlag Gmbh Jan 2018, 2018. Buch. Condition: Neu. Neuware - How can the one influence the many From posing seminal questions about what comprises a human individual, to asking whether human evolution is alive and well, favoring individuals or the species, this work is a daring, up-to-the-minute overview of an urgent, multidisciplinary premise. It explores the extent to which human history provides empirical evidence for the capacity of an individual to exert meaningful suasion over their species, and asks: Can an individual influence the survival of the human species and the planet If there are to be cultures of transformation dedicated to seeing us all through the Sixth Extinction Spasm, the Anthropocene, inflicting as little biological havoc as possible, what might such orientations-a collective, widespread biophilia, or reverence for nature-look like In this powerful work, with a combination of data and direct observation, the authors invite readers to explore how such transformations might resonate throughout the human community; in what ways a person might overcome the seemingly insurmountable environmental tumult our species has unleashed; the clear and salient motives, ethics, aspirations and pragmatic idealism he/she might mirror and embrace in order to effect a profound difference-at the individual level-for all...
