Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Annual Report of the Treasurer, Selectmen and School Committee of the Town of Belmont, for the Year Ending March 1, 1880 In severing my connection with the office, I wish to express earnest thanks to all with whom I have been thrown in contact, for the kindness, courtesy, and encouragement, which have been almost invariably extended to me. I cannot deny that there have been times when I felt that my actions were unjustly criticised, but I am glad to believe that no injustice was intended, that we have only differed in regard to the means while we all had the same worthy end in view. I only ask that the same charity be extended to myself. Probably I have made some mistakes, but I hope all will believe that they were mistakes and nothing else; I certainly have tried to do my duty by all, and if any feel that I have wronged them, I have only to say in the familiar language of doubtful contrition, I am willing to be forgiven.
