University Press of New England, United States, 1996. Paperback. Condition: New. New.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Leslie Scalapino is widely regarded as one of the best avant-garde writers in America today. This extraordinary new book is essay-fiction-poetry, an experiment in form, a serial novel for publication in the newspaper that collapses the distinction between documentary and fiction. Loosely set in Los Angeles, the book scrutinizes our image-making, producing extreme and vivid images-hyena, Muscle Beach in Venice, the Supreme Court, subway rides-in order for them to be real. Countering contemporary trends toward interiority, Scalapino s work constitutes a unique effort to be objectively in the world. The writing is an action, a dynamic push to make intimacy in the public realm. She does not distinguish between poetry and real events : her writing is analogous to Buddhist notions of dreaming one is a butterfly, and becoming aware that actually being the butterfly is as real as dreaming it.
