Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In Walking By the Spirit Daniel Fuller guides us step by step as he examines and expounds the text and the message of Paul s letter to the Galatian churches. While Professor of Hermeneutics at Fuller Seminary, Dr. Fuller wrestled with this text for many years in the context of teaching future pastors and theologians how to understand the original author s intended meaning. Today s serious students of Scripture can now benefit from his work as they engage with his methods and with the meaning he exposes as he unfolds the language and layers of Paul s arguments. Walking By the Spirit helps readers come to terms with the persevering nature of faith in Christ, penetrate the enigma of the phrase works of the law, and appreciate the loving freedom available to everyone who is led by the Spirit in the steps of Abraham, the father of the faithful. By carefully unpacking the intrinsic connection between faith, behavior and God s approval, Fuller provides readers insight into Paul s loving response to a difficult situation: the problem of cultural elitism. He demonstrates how this divisive attitude opposes God s desire to bless people from every cultural background, why the way of living generated by this attitude is dangerous to the individual and the community, and what Christians can do to prevent this evil from damaging the people around them.
