Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Are you unhappy in your relationship? Do you and your partner constantly fight? Has the person who s supposed to be your source of comfort, support, and joy become someone you both love and despise? What you re going through is well beyond the normal relationship challenges most people experience, because you re stuck in a dysfunctional relationship. You may also feel you re the only one this is happening to, that everyone else fares better with their partners, that there s something wrong with you, and worst of all that you deserve to be treated badly--because your partner has convinced, cajoled, bullied, and sometimes battered you into believing you re the cause. Fortunately, you re not alone, and help is here from someone who has lived what you re living. Thomas G. Fiffer, Executive Editor for The Good Men Project whose articles have over 5 million page views, has written extensively about dysfunctional relationships and gathered his wisdom in *Why It Can t Work: Detaching from dysfunctional relationships to make room for true love*. The author survived two marriages defined--and ultimately destroyed--by dysfunctional dynamics and has learned how to break the patterns that prevented him from being happy and forming healthy emotional and romantic attachments. *Why It Can t Work* shows you how to recognize the problem, identify the source, and take decisive action--either to right your relationship or abandon it. Through an ordered sequence of enlightening articles collectively shared over 300,000 times on Facebook, the author gently but assertively reveals the painful truths about dysfunctional relationships, reminding us that romantic partnerships are supposed to be a healthy source of love and support, and letting us know it...
