Reviews

This pdf may be really worth a study, and much better than other. I could possibly comprehend every thing out of this composed ebook. You will not sense monotony at anytime of your time (that's what catalogues are for regarding when you check with me).
(Elza Gusikowski)

WHEREVER YOU LAY YOUR HEAD (PAPERBACK)

Copper Canyon Press, United States, 1999. Paperback. Condition: New. New.. Language: English . Brand New Book. Poetry. Jorie Graham says of this poet: Jane Miller is an extraordinary poet . an astoundingly supple voice. Her seventh collection of poems is in part a literary homage to Hiroshige, Japan s master print artist who immortalized scenes along the Tokaido, the Eastern Sea Road. One obeys nature and thinks of the rest of the journey/ in straw sandals and a paper hat. The leaves larger/ and light longer. I could do it in my sleep,/ my head a roadway peppered with mountain passes (Rising Smoke). Like Hiroshige s prints, Miller s poems are a window through which we view the joyous details of the difficult lives of innkeepers, cooks, porters, wrestlers, and men and women of the pleasure quarter. She freely draws from Hiroshige s world to illuminate the cultural and moral grounding of the nuclear age.
