By Bartholomew, Edwin F. / Martini, Frederic H.

Condition: New. Publisher/Verlag: Addison-Wesley Longman, Amsterdam | With Martini's atlas of the human body. With student access code for online course Mastering A&P | This package includes a physical copy of Fundamentals of Anatomy & Physiology, 10e by Martini as well as access to the eText and MasteringA&P. Your instructor will need to provide you with a course ID in order for you to access the eText and Mastering. For two-semester A&P Fundamentals of Anatomy & Physiology helps students succeed in the challenging A&P course with an easy-to-understand narrative, precise visuals, and steadfast accuracy. Every chapter of the Tenth Edition includes one- and two-page Spotlight Figures that seamlessly integrate text and visuals to guide students through complex topics and processes. These highly visual presentations incorporate, for select topics, the "visual approach" that the same author team created in their Visual Anatomy & Physiology book. New Clinical Cases open every chapter and get students thinking about the chapter content in the context of a personal compelling patient story. This program presents a better teaching and learning experience for you and your students. It provides: Text-art Integration: The popular one- and two-page Spotlight Figures and other figure types seamlessly integrate text and visuals to guide students through complex...
