Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.POTTY TRAINING WITH LOVE provides a fun and exciting way to successfully potty train your child. The step-by-step method outlined in the book will encourage your child to want to use the potty - which is the hardest part of the whole process! And a parent can begin the preparation techniques as soon as the child is able to sit up - as early as 6-8 months! Zshonette Reed, the mother of two children - a boy and a girl - developed the program outlined in the book and successfully potty trained both children by age 16 months with no drama, no resistance, and lots of fun. She also discovered that the fundamental techniques and principles underlying the program could be used in every aspect of raising a child - training a child with love and lots of fun! QUESTIONS ANSWERED: When do I begin? When can I expect my child to be trained? What equipment do I need? How can I make my child want to potty? What do I do if I'm not a stay-at-home mom? And much more!.
