

## The Classic FM Musical Treasury: A Curious Collection of New Meanings for Old Words (Hardback)

By Tim Lihoreau

Elliott Thompson Limited, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. There are all sorts of people, events and sounds that exist in the musical world for which there are no words. We have been sadly bereft of a satisfactory way to describe the contortion of a singer's mouth when reaching for the high notes; the audience member who leaves a concert halfway through the grand finale; or that person who places one finger in their ear and raises their eyes heavenwards when they sing.; Tim Lihoreau neatly solves this problem in The Classic FM Musical Treasury. Having scoured the UK for place names with a musical bent, he has created a charming collection of humorously inventive, musically themed meanings. From choral singing to rock concerts, opera and orchestras, this quirky book will delight music fans everywhere.
