Excerpt from War and Progress, the Growth of the World, Influence of the Anglo-Saxon Tween the anglo-saxon and the great and neglected Far Eastern group of peoples. Then come two short chapters devoted to certain so called principles which the praiseworthy, but confused efforts to find moral rules to guide political action have brought into general attention and which are believed by. The writer to be generally fallacious and apt to divert attention from the real and proper war aims. The sixth chapter considers the Russian situation in summary form, and the seventh deals with some of the more prominent delusions which seem to have affected the American and Allied publics and hampered the most effective prosecution of the war. The eighth deals with an internal problem of America, without the proper solution of which, the effectiveness in international action of this largest of the anglo-saxon units will be greatly hampered. The ninth chapter attempts a summary of certain obvious effects of the war up to the present, with especial emphasis on matters already discussed at length in previous chapters. The last considers the present war situation and makes proposals for immediate war policy on the basis of the central theme and shows how the proper comprehension of this theme seems to be vital for success.
