Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It s Prohibition. It s Philadelphia. And Jersey Leo doesn t fit in. Jersey is an albino of mixed race. Known as Snowball on the street, he tends bar at a speakeasy the locals call the Ink Well. There, he s considered a hero for having saved the life of a young boy. But when his old grade school buddy, Aaron Garvey, calls from death row and asks for one last favor, all hell breaks loose. Jersey finds himself running from a band of crooked cops, hiding an escaped convict in the Ink Well, and reuniting with his grammar school crush--the now sultry Myra Banks, who has shed a club foot and become a speakeasy siren. Through it all, Jersey tries to safeguard the Ink Well with no help other than his ragtag group of friends: his ex-boxing-champion father, Ernie Leo; the street-savvy Johalis; a dim-witted dockworker named Homer; and the dubious palm reader Madame Curio. With them, Jersey digs for the truth about his friend Aaron Garvey--and winds up discovering a few things about himself.
