

## Hailey s Bali Diary (Paperback)

By Hailey McPherson

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hailey and her boyfriend moved from the Midwestern United States to Hong Kong, China to be part of China s ever-expanding entertainment industry. When her boyfriend s job took him out of Hong Kong and into Mainland China, their relationship strained to persevere. A vacation on the tropical island of Bali rekindled their passion for travel and each other. Along the way they played with some exotic monkeys, visited ancient temples and got in a few laps at the pool. When people go to Bali, they usually spend their time lounging on the beaches and hopping from one restaurant and pub to the next. Hailey and her boyfriend spent most of their time with each other, exploring their relationship s limits and pushing their own personal boundaries farther than either of them ever expected. This is not your grandmother s travel guide.
