## KURSAAL

Huerga y Fierro Editores, S.L., 2000. soft. Book Condition: New. Encuadernación: Rústica Colección: Narrativa Kursaal es un relato apasionante, que atrapa desde las primeras líneas y en el que humor, la ironía, la fidelidad a hechos pasados y el tratamiento del lenguaje ocupan un papel importante. La novela se enmarca tanto en la denominada novela histórica, como en la novela negra. Al hilo de una serie de misteriosos asesinatos y en el espléndido marco de San Sebastián de la belle époque, el lector revive la azarosa política española y europea de los primeros años veinte, antesala, también, de la segunda guerra mundial y de la propia guerra civil española. Dos inspectores de policía, un tanto inexpertos, van a ser los encargados de resolver el enigma de las muertes misteriosas, mientras el asesino juega con ellos al gato y el ratón dejando aquí y allá extraños mensajes para los policías. El lector se va a ver enredado igualmente en la tarea de desenmascarar al autor de los crímenes y, además, de la mano de los personajes, recorre el San Sebastián de entonces y conocerá la realidad del momento desde diferentes puntos de vista. Nos encontramos, pues, ante una sugestiva novela de intriga y de indudable interés histórico, en la que hay que destacar el lenguaje cuidado, la ironía, el humor y la fuerza del retrato de los personajes y de la propia época.
