Orion Publishing Co, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Would you let your grandmother play matchmaker?***** You can't choose who you fall for, but it helps if there's a list. When you're approaching thirty it's normal (if not incredibly annoying) for your family to ask when you'll tie the knot and settle down. But for Raina there's a whole community waiting for someone to make her a wife - and a loving grandmother, Nani, ready to play matchmaker with a comprehensive list of potential husbands. Eager not to disappoint her family, Raina goes along with the plan but when the love of her life returns - ex-boyfriend Dev - she's forced to confront her true feelings. Now her clock is ticking, it's time for Raina to decide what she actually wants. Will Raina let her family decide her future, or can she forge her own path?***** Praise for THE ARRANGEMENT - a heartwarming and uplifting romantic comedy: A riotous odyssey into the pressures of cross-cultural modern dating ELLE I was utterly charmed by this insight into Raina's struggle to be the perfect Indian daughter. A delightful debut VERONICA HENRY, bestselling author of The Forever House A perfect romance to lose yourself in STYLIST Impossible to read without a huge smile on your face. A superior slice of romantic comedy RED An absolute treat - I loved it MILLY JOHNSON, bestselling author of The Queen of Wishful Thinking.
