

Ancient Aliens: The Unabridged Series Companion: Part Five (Paperback)

By Collaborated Work

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ancient Alien Theorists continue to explore this fascinating field of alien research. Did intelligent aliens roam the Earth thousands of years ago? Could they have come from the Orion Nebula? Were monumental structures like the pyramids created to worship or guide them, and did they help humans develop other advanced technologies like power plants? Researchers explore evidence of mysterious ancient phenomena such as alien abductions documented in the Hebrew Bible, Egyptian hieroglyphs depicting the use of light bulbs, mile-long cryptic markings in Peru and more. Do these phenomena represent some alien agenda? From artifacts to firsthand accounts, the compelling inquiry presents grounded, historical depth while challenging our understanding of ancient civilizations. Ancient Alien Theorists investigate the topic from many angles. Were ancient leaders, usually attributed with divine powers, actually connected to extraterrestrial forces? Did the skill in advanced medical procedures practiced in the ancient world, as evidenced by wall carvings and skeletal remains, come from an otherworldly source? Archaeologists ponder the healing power of ancient objects like sacred bones and luminous, skull-shaped crystals. Do these controversial artifacts hold the secrets to...
