Julie is living her dream, opening a video-game themed cookie bouquet shop with her best friend. But it turns out even dreams come with stress and sleepless nights. Their primary investor, Dante, is as overbearing in real life as he is on his award-winning cooking show. On the other hand, he s sexy as hell, and his boyfriend, Christopher, is as kind as he is a gorgeous, drool-worthy geek of a guy. When the tension of trying to keep her business together threatens to tear Julie apart, Christopher s got a solution for teaching her to share the workload. If she can surrender control in the bedroom, it might help her delegate in the office. What starts as game where blindfolds and submission are the board pieces becomes more serious. Until Julie discovers that Dante and Christopher have kept a secret from her that shatters her trust, leaving their hearts and jobs one move away from game over.
