Reviews

*It is one of my personal favorite books. This is certainly for anyone who states there had not been a worth studying. I found out this ebook from my i and dad advised this pdf to learn.

ROOSEVELVIS

Oberon Books. Paperback. Condition: New. 96 pages. Dimensions: 8.0in. x 5.1in. x 0.3in. RoosevElvis (Rose-of-Elvis) tells the story of Ann, a thirty-five year old meat-processing plant worker living in Rapid City, South Dakota. Painfully shy, Ann has recently begun to inhabit the character of Elvis Presley at home. In his skin, Ann begins to find the courage to open up to the world. Ann meets and sleeps with Brenda, a woman whose online dating profile lists taxidermy and Teddy Roosevelt among her interests. The two take a weekend camping trip to the Badlands, but it doesn't go well. Frustrated by Ann's passivity, Brenda leaves, prodding Ann to do something, like get in a car and drive to Elvis' house in Memphis. Ann begins a hallucinatory drive south, accompanied by the increasingly present and invasive spirits of Presley and Roosevelt (played by the actresses). As Graceland comes ever closer, these two icons of American masculinity battle for what type of man or woman Ann should become. Set against the boundless blue skies of the Great Plains and endless American highway, RoosevElvis is a new work about gender, appetite, and the multitudes we contain. RoosevElvis is the Team's most intimate work that I've seen, and also its warmest. . . a spirited and insightful commentary on two archetypes of American masculinity. - New York Times This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
