Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you a Christian Disciple? Fabulous! How well do you know the God you follow? God has a grip on you, but how good is your grip on Him? Are you holding on to Him by just your fingernails? Or do you have a good firm grip on His hand, just as a baby grips onto the hand of their father? As Christian Disciples, we are only just beginning to know what it means that God became human. When on that moment the holy sinless God, chose to enter human history and became man. Why? So that humans could choose for themselves to be in a relationship with God or not, accepting freely that they are ransomed, healed, restored and forgiven. Yet in our modern Western Civilisation, the Church in places has forgotten this. It is time for the Church to once again go back to basics, to be reminded of them if necessary, to get their collective hands dirty and echo the God they claim to follow. Are you ready to learn not just about God but also why? In these studies, over 15 days, we look at: Why Study God? / Who is God? / God as Trinity / God the Father / God the Son / God the Holy Spirit / God, Humans and Life / A Tale of 4 Disciples / What is a Disciple? / Goal of a Disciple / Living as a Disciple / Growing as a Disciple / The Cross and the Disciple.
