Sunbury Press, Inc., United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Women have been part of the tradition and lore of the game of baseball for over the past one hundred and fifty years. The first organized women s team in the United States was started at Vassar College in 1866. Endless stories abound about women s participation in the grand old game in almost every capacity and have been well documented over the years in many published books. However this book is about an exclusive group of women in baseball history, some of them are well known, but most are not. These are women who have experienced the game from the very top as major league team owners and co-owners. The history of women who have owned major league teams is more than a mere curiosity; their collective stories form an anthology of struggle in a male dominated bastion for acceptance and recognition as entrepreneurs and sports-minded individuals who understand the tradition of the game of baseball and it s ingrained connection to American culture. It all began in 1911 when Helene Hathaway Robison Britton inherited the St. Louis Cardinals and the saga continued through the ensuing decades of the twentieth century with various women gaining control of major league teams through subsequent inheritances. Then in 1985 a watershed event occurred for women in major league baseball. Marge Schott gained majority control of the Cincinnati Reds, joining Jean Yawkey of the Boston Red Sox and Joan Kroc of the San Diego Padres thereby bringing the number of women to three who owned major league teams at that time. While most of the woman who have owned major league teams gained control through inheritances, a few such...
