

Love Language: Of Goal Setting How to Have a Happy Marriage and Loving Relationships (Paperback)

By Darrin Wiggins

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How Could Goal Setting Be The New Love Language? You may be asking yourself that exact question. Who has ever considering goal setting to be something that could save marriages, make dating easier and create healthy relationships? The author has proven it works by introducing goals into relationship coaching and changed the lives of many couples who saw no way out but to walk away from each other. Some still choose to leave the relationship but in a healthy way knowing they simply had different paths to follow. No messy break up or divorce needed. It is only when a person can clearly articulate their life long dreams that they can openly share them with others. Setting goals gives people the clarity they need to define these dreams and then attract the right partner into their life. As you learn about the secret power goal setting has in relationships you might discover exactly what you need to do in order to bring back and intensify the love in your marriage and relationships. Goal Setting Is Communication In Its Purest Form The author has been with his wife for over...
