Reviews

This is the finest publication we have read through right up until now. Better than never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

Brand New Book ***** Print on Demand *****.Excerpt from Remarks on Prof. Mahaffy s Account of the Rise and Progress of Epic Poetry: In His History of Classical Greek Literature The reviews and literary notices of my several pamphlets on the probably late date of large portion of the Homeric texts, and on the different Homer of the age of Pericles, have brought out one fact but too clearly, - that these are questions to which not many at the present day devote an amount of serious and unbiased attention at all in proportion to their importance in relation to classical learning. It is pretty evident, indeed, that there are some - I will not say scholars - who would strangle the inquiry by laughing it down. There seem to be many who cannot, and not a few who will not comprehend the gravity of the points at issue. They have persuaded themselves that a few verses interpolated here and there by rhapsodists will account for all or any anomalies in the Homeric language and versification, a very serious error in itself. Some appear even to have thought that I regarded the Iliad and the Odyssey as composed only a little before the age of Plato, whereas I have always said compiled, meaning, of course, adapted, rearranged from older materials, and epitomized, leaving it an open question, as it must be, how much is really genuine, and how much altered or added. Most seem content to think that Colonel Mure, Mr. Gladstone, and Mr. Grote have settled the question in favour of the great antiquity of Homer, more or less nearly as we now have it. It is considered that these authors speak with...
